Remarks:	FAILED
Whereas:	Previous suggestions to a parking solution have been depressing and controversial; and
Whereas:	If someone should be picked on, then let's focus on the student who costs the rest of us money; and
Whereas:	We do have remote parking which needs to be utilized; and
Whereas:	The students who register on the last two days of late registration are not transfer students or any particular class of student but procrastinators who cost the student body in general the money necessary to keep registration open these last two days.
Be It Therefore Resolved That:	On the last two days of late registration these students be offered only remote parking stickers;
Be It Further Resolved That:	These students can utilize class A parking after 5:00 P.M.; and
Be It Further Resolved That:	After the eighth week mid-term all parking be first come first serve in all parking areas.
