COMMENTS BY STUDENT CONGRESS PRESIDENT:

I regretfully route this resolution to you after its adoption by Student Congress last Tuesday night. As you know, a resolution very similar to this was brought before a full Congress last semester and was defeated. I strongly feel that the adoption of this resolution is a result of carefully planned political maneuvering as there were only 27 members present to vote on the resolution and it was considered by a suspension of the rules.

Also, I would like to point out that during the same meeting Resolution 92-02 was passed, Student Congress also passed a resolution which will require Student Congress to conduct a contest to solicit ideas for a solution to UTA's "Parking Problem." Perhaps we could benefit if we wait for the results of this contest prior to acting on Resolution 92-02.

**To:** Linda Moffatt  
**From:** W. H. Nedderman *(BN) 2/20/92*  
**Through:** Vice President Duke  
**Subject:** Student Congress Resolution 92-02

I regret that I cannot approve this resolution.

It is my belief that we should greet entering freshmen by telling them that we are glad they chose UTA, that we welcome them, and that we do not consider them second class citizens.

I shall look forward to the contest for ideas on parking. I am quite willing to consider suggestions. However, discrimination against freshman is not a viable solution in my opinion.

Sincerely,

W. H. Nedderman  
President
