Whereas:	UTA is one of the largest schools without a football program; and
Whereas:	UTA students have long been looking for other sports to fill the void felt with no such program; and
Whereas:	Volleyball is an up-and-coming sport that is both fun to play and equally as exciting to watch; and
Whereas:	UTA has already shown that they can build a quality volleyball program at a substantially cheaper cost than a football program; and
Whereas:	Dr. Amacher has already expressed interest in getting a sports complex built with the city to replace holding sports events in Texas Hall, which another sport could help fill.
